

Club 5k Sat 6th March

A good turnout on Saturday morning on the canal with 27 runners of all ages getting a bit wet. Well done to you all especially Richard Newman who ran much faster than predicted, Joseph Wayne who was fastest of the juniors and Chris Edwin who was fastest. Richard generously donated his Easter egg for 1st across the line to Joseph.

There will be an overall prize for the biggest improver after the 3 races BUT, you must complete at least 2 runs if you want to be considered SO come down on Saturday morning, first group goes off at 9.30.

Thanks to the Timekeepers and marshalls and everything was wrapped up by 10.15.

See you Saturday hopefully.
